

Welcome to Morisset OOSH

Care Activities Inc is excited to announce a brand new OOSH service opening in early 2021. Pending licence approval, Morisset OOSH will operate on school days, offering school aged care from 6.30am to 8.30am each morning and 3pm to 6pm each afternoon on site at Morisset Public School. Pending family interest, a Vacation Care

Program will keep the fun going through the school holidays. With many years of experience providing quality school aged care at our services located in Lake Macquarie, Care Activities is ready to serve the needs of busy families.

Our Program: Our OOSH programs are leisure based and educational. Regulated by ACCEQA and informed by the National Framework for School Aged Education and Care, children will choose from a wide variety of

activities, with staff shaping the program around each child's interests and abilities. We're excited to offer art, science, imaginative play, puzzles, reading, sport, card games and much more.

Australian Children's
Education & Care
Quality Authority™

Nutrition: A nutritious breakfast and afternoon tea will be served daily, encouraging healthy eating in a low pressure, fun environment. Wraps, frozen fruit cups, veggie sticks and scrolls are just some the items on our varied and rotational menu.

Cost: Care Activities is committed to providing high quality care at an affordable price. We are proud to offer Child Care Subsidy (CCS) to eligible families attending our services. CCS is a means tested government subsidy which may significantly reduce your out of pocket expenses, between 50% and 85% for most families.

This means that you may pay as little as \$4.42 per afternoon session. Full fees before Child Care Subsidy are \$20 for Before School Care and \$23 for After School Care, with an additional \$1 per session for casual care.

To Enrol: Enrolments, bookings and payments are easy with our digital iParentPortal system. For information and to be notified when enrolments open, contact us at morisset.oosh@calm.org.au
